We've done it!! We have kept the big 4 additives out of all our food ingredients since opening.

Chemical seasonings Artificial sweeteners Artificial colorings Artificial preservatives

- *Allergen labeling includes the 8 specified allergenic ingredients and 19 related ingredients.

 * Large volumes of items are handled at our processing centers and restaurants, so an ingredient may unintentionally get mixed in with or get attached to another.

 * This information is specific to the ingredients of items. For the abovementioned reason, it is not an assurance of condition on serving.

 Ultimately, customers with particularly serious medical conditions or sensitivities are asked to make their own decision after consulting a doctor.

 * Some restaurants do not serve serval items.
